

PRINCIPAL POSITION – PERTH BIBLE COLLEGE

(Commence January 2023)

Perth Bible College is seeking a Principal to build on its strong tradition of ministry and theological training, while also expanding its repertoire to include Christian-trained accredited counsellors.

The next Principal will have strong leadership and communication skills to build the team of lecturers and staff and grow students into ministry opportunities. The College is committed to developing its unique role as an evangelical, non-denominational College providing higher education courses for ministry as pastors, counsellors, chaplains and everyday missional leaders.

While maintaining the College's excellent status as a Christian Higher Education College, the new Principal will also lead in engaging with Churches, Christian (including missional) organisations and Christians in courses that encourage the growth of the gospel both personally and publicly.
